|--------------------|------------|-------------|------------|---------------|-------------|-----------------|----------|--------------|----------|

Features

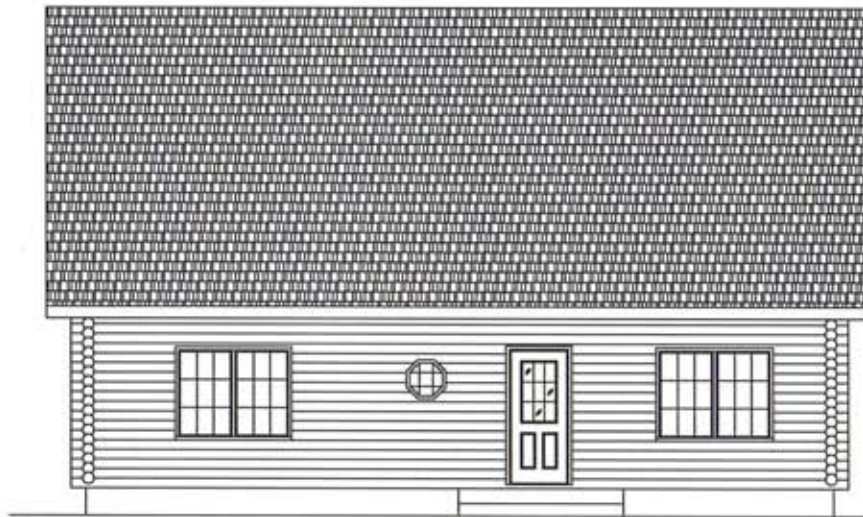

- **One of our most popular “base” plans**
- **Great open concept area for gatherings with family and friends.**
- **Cathedral ceiling above common areas.**
- **Two spacious bedrooms on main level with large Master Bedroom and sitting area in loft.**

*Custom Idea? Add some dramatic windows to take advantage of the view ... add a dormer or two for an economic way to get more usable space in the loft area...*
