Features

- **Now this plan really *is* designed to take advantage of the view - to bring the outside, inside!**
- **Unique angled “wings” house the large Country style Kitchen/Dining room and Master suite. On the upper level - guests can enjoy their own “wing” with private bath!**
- **A large foyer welcomes guests to the inviting Great Room with soaring cathedral ceilings - the result of adding extra log wall height at the mid section.**

Custom Idea ? Why not add a Carport off the Foyer entrance ?
